

Prina Matatova

NP in Family Health, P.C.

General Consent

Operation and administration of anesthetics and the rendering of other medical services

Date (with day and time) 08/06/2026

Patient's Name: Khan Ali

My Provider is: Irina Matatova

I have authorized my provider, associates and assistants chosen by my provider to: (be specific about the treatment, surgery, or other procedure - do not use abbreviations. Use the reverse side of this sheet if necessary.)

Procedure: _____

I understand that a treatment, surgery, or other procedure cannot be performed without my consent. I have discussed to my satisfaction with my provider my condition and diagnosis, the procedures or treatment to be undertaken, the viable alternatives, and the risks involved, if any, and I have consented to the treatment, surgery, or other procedures stated above. I acknowledge that all my questions have been answered to my satisfaction. I acknowledge no guarantees have been made to me concerning the results of this procedure or operation. (State exceptions, if any, use the reverse side of the form, if necessary.)

To the extent it is considered by my provider advisable for my care, I consent to anesthesia, blood transfusions, pathology, laboratory services, radiology services, prescription drugs, or other medication as authorized by my provider. I agree that any photographs taken before, during and after this procedure become the property of my provider for use in scientific journals or my records.

If unforeseen conditions require additional procedures or transfer to an acute care facility, and it is not reasonably practicable to obtain my consent, I authorize my provider to proceed as considered advisable and in my best interests.

I hereby authorize the _____ to examine and dispose of any tissue or parts, removed by State Law, (state exceptions if any).
